Dear Laker families,

Happy 2024! It brought me great joy welcoming our students back into our school on Monday. I certainly missed the smiles, personality, character, and fun of our students over the break.

January is a busy month as students work towards completing their courses and preparing for their final assessments. The final exam and tutorial schedules are included in this Cody Corner and on our [school website](#). Please make note of your child's exam dates. We do not have flexibility with scheduled dates given our deadlines for mark submissions to Alberta Education as well as PAT and Diploma Exam dates set by the province. Students are expected to attend all tutorials that are scheduled during the school day and it is highly suggested that they attend tutorials that are scheduled on evenings and weekends if their schedule permits. There is a strong correlation between students' tutorial attendance and success on their final exams.

In-class exams started this week. Students are expected to attend all regularly scheduled classes following their PAT, Diploma Exam, or in-class final exam. From January 24th to January 30th (exam week), students must only come to school for their scheduled exams and tutorials. They are asked to leave the school once their exams and tutorials are completed. Students who travel via bus may stay in our Common Area while waiting. Those students who use the accommodation of "text to speech," "speech to text," or an audio mp3 file for their exams are reminded to bring headphones with a wire (no Bluetooth earbuds) to their final exams. All students must ensure that phones, smart devices, and earbuds are not brought into their final examination rooms. These must be left in the lockers or vehicles. Please note that the canteen will not be operating during exam week.

In such a case that CESD announces a "Red Day" the school will close and exams will be rescheduled. Teachers will communicate a learning plan for students via Google Classroom. If a "Yellow Day" is announced, exams will proceed as usual for those students who are able to arrive safely. Students who miss exams as a result of a yellow day will be required to write their missed assessment on an alternate day. Please see [this link](#) for CESD's inclement weather procedures.

A reminder that Connect will not run in January. This allows for longer class times for students to focus on completing final course work, preparation for final exams, and more time to complete in-class assessments.

Grade 10-12 students who are interested in engaging in a dual credit course or applying for the Laker practicums with the Town of Sylvan Lake must submit their applications to Mrs. Bell by January 12th.

The HJ Cody Athletic Society is excited to announce their first 50/50 cash raffle! Tickets are on sale now with the final draw to occur at the Senior Girls' Double Double Classic Basketball tournament Feb 3, 2024. Grab your tickets at: [HJ Cody Athletics Society 50/50 Cash Raffle Fundraiser!](#) | [Rafflebox](#)

Thank you for your continued support of our school community. Do not hesitate to reach out if you have any questions.

Kind regards,
Alex Lambert, Principal
