Dear Laker families,

Another lively week is upon us at HJ Cody. From our Band students engaging in a music retreat in Banff, our Drama students preparing their final rehearsals for the Little Women production, our Basketball teams battling for banners, to our students working hard to achieve their academic goals, our Lakers continue to be amazing ambassadors of our school and community.

Parents with students with IPPs or LSPs will be hearing from their students' Connect teacher shortly surrounding accommodations and support for the second semester. Should you have any questions about these, please reach out to your child's Connect teacher or Mr. Kennedy (mkennedy@cesd73.ca), our Learning Support Teacher.

Parent Teacher Interviews are scheduled for March 27th from 5-8 pm in the gym. You are encouraged to attend and connect with your child's teachers. You can sign up by clicking [here](#).

Red Deer Polytechnic (RDP) is hosting a Student for a Day Event on March 8th (tomorrow). Students will receive first hand experience on campus and attend lectures taught by instructors and professors. For more information and to register, click [here](#). Furthermore, RDP is hosting a parent information night on March 13th at 7 pm to learn about their programs and the application process.

When you have a moment, I ask you to please complete CESD's brief [parent survey](#). This survey provides the school and division feedback on how we are doing with our three strategic goals; Academic Excellence, Career Connections, and Social-Emotional-Wellbeing.

Lastly, a reminder that tomorrow is a Professional Learning Day. Our teachers will be engaging in developing common assessments and meeting collaboratively to develop supports and plans to improve student learning and engagement.

Thank you for your continued support of our school community. Do not hesitate to reach out if you have any questions.

Kind regards,
Alex Lambert, Principal
